P4: Today we have a great, special holiday. It is dedicated to a Presentation of a literary-artistic anthology “Pearls”. It is our first issue.

P1: During last years we made up poems in English, translated some poems, songs of famous poets into Ukrainian, made up poems in Ukrainian and translated them into English.

P2: We worked at the English lessons, during the English weeks, at the competitions, at a circle “A young translator”.

P3: Time was passing... and a dream was born – to found a literary-artistic anthology “Pearls”.

P4: We are thankful to our English teachers Alla Mykolaivna Mel’nyk-Dushchak, Vatalina Sil’vestrivna Lahman, Larysa Kostantynivna Zelen’ko who has founded and compiled the book.

P1: So, welcome to the world of the English poetry and translation!

P2: What is poetry? Let's have a look at some quotations of famous people. Poetry is when an emotion has found its thought and the thought has found words.

P3: Who is a poet? A poet is a man who puts up a ladder to a star and climbs it while playing a violin.

P4: What is a poem?

P1: A poem is a little myth of man's capacity of making life meaningful.

P2: There is a pleasant surprise for you. We have invited authors of the anthology.

P3: Some of the authors have come to the holiday. Let's greet them with our applause.

P4: Dear authors! We are happy to see you with us today, at our wonderful holiday.

P1: Would you like to tell us in a few words about yourselves and read your poems, translations. And, maybe, you will sing us some songs.

Authors.

P2: We have one more surprise for you. "Fly High" band has come to our holiday. They want to congratulate you with the interesting presentation and present you their songs.

P3: We hope that you like our presentation. We believe that pupils of Hlyboka lyceum will grow, like pearls, and they will decorate the poetic treasure with their talent.

P4: Soon people will celebrate winter holidays. This song is for you. (“I Wish You a Merry Christmas”)

All together: Good-bye!
